Dudley's Stone Shiraz Cabernet, *South Africa*

This is a wonderful fruity wine, though the Shiraz with its peppery and spicy overtones seems to win the battle With the classic Cabernet Sauvignon.. Hints of oak here too.

Hutton Ridge Chenin Blanc, *South Africa*

Once considered a "workhorse" grape for white wine,, Chenin Blanc has come back into favour in its own right. This is a great example and shows freshness and a full fruity flavour with citrus. A slight spritz too.
